Perks of holding a Canadian PR card

Sickness

Maternity

Caregiver  
for Adults

Parental

Caregiver  
for Children

Compassionate  
Care

Self employed people in Canada can seek access to various special benefits to take time away from their business to care for oneself, their children or other family members. They could receive financial support of up to 55% of their earnings, up to a maximum amount which in 2021 is \$595 per week.
